

Invitation to compete in

Hjuvik Team Racing Championship

Hjuviks båtklubb (HjBK) has the pleasure to invite Finland's National Team to compete in Hjuvik Team Racing Championship in Gothenburg, Sweden, 13th – 15th of June, 2008.

This is the second year we are running this event. Last year was successful and offered competitive sailing with skilful optimist sailors in a nice atmosphere.

The sailors will meet, compete and socialise when Sweden is at its best, near midsummer.

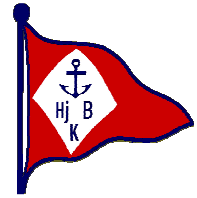

The regatta makes it possible for sailors from all over the world to sail team racing in Gothenburg without having to bring a lot of gear or renting a boat. Hjuviks båtklubb will supply boats complete with J-SAILS and all necessary gear.

The regatta is sailed with teams of four helmsmen on a triangular course sailed clockwise. A maximum of twelve teams will be participating.

Since boats are supplied by the organisers there is a good possibility to travel just with the team, luggage and a coach to Gothenburg. We will arrange for food and social events for the sailors in order to make sure they have a nice time.

Hjuviks båtklubb will assist visitors to find suitable accommodation. Modest accommodation will be available nearby the

regatta area. Please, enquire well in advance. We will also assist with transfer from railway station or airport.

Please indicate your interest to participate by e-mail no later than 15th of February, stating Name of team and, if possible, preliminary participants and coach. A non refundable entry fee of 100 Euro must be paid no later than 1st of April. The remaining 250 euros must be paid no later than 1st of June.

Friends and relatives may like to participate in Kullavik Weekend, a major fleet race regatta 15 km south of Gothenburg (more info at www.kkkk.nu). Some sailors may choose to stay over midsummer and win the Swedish National Junior Championship 25-29 of June (more info at www.juniorsm.se).
