

Veidekke Golden Cup

July 21st to 24th 2009

Arendal, Norway

Scandinavian Optimist Regatta

Scandinavian Optimist Regatta during summer vacations

Veidekke Golden Cup 2009 is an event organized jointly by Arendals, Grimstad and Christiansands Seilforening alongside the 2009 Nordic Youth Sailing Championship, focusing on all Scandinavian Optimist Sailors between the ages 10 and 15, not qualified to participate in the championship itself. The race area will be the same as for the main event and the racecourse will be in the same waters.

The races will be organized starting Tuesday July 21st and ending Friday July 24th. You are welcome to arrive 1-2 days before and camp at Hove close to the race area. On Monday July 20th you are welcome to practice on the racecourse, under your own supervision.

We hope to see a lot of you – friends, sisters or brothers of participants in the Championship or just Scandinavian sailors wanting to improve their racing skills and have a lot of fun. A prerequisite of this regatta is that parents of the contestants help out with some of the practicalities.

There will be awards and surprises to the participants.

For further information and registration, go to the event homepage www.inom2009.no.
